

**USB2NIC-PRO**

USB 2.0 (A) Male to RJ-45 Female Gray & Black Adapter

**Features:**

- USB 2.0 (A) Male Connector
- RJ-45 Female Connector
- Color: Black

**Product Description**

This is an 8in USB 2.0 male to RJ-45 female gray and black network adapter cable. It allows your standard USB 2.0 (A) equipped laptop, PC, or USB charger to connect to an additional RJ-45 gigabit Ethernet port. The USB 2.0 (A) connector also grants backwards compatibility to any USB 1.x (A) equipped device. This small, lightweight and portable USB network adapter cable is the ideal network accessory for the home or office. Our network adapter cables are backed by a 3 year warranty and are guaranteed to work the first time.

**About Us:**

Proline Options is one of North America's leading providers of transceivers and high speed cabling. With a reputation for quality, tested products that cover the connectivity spectrum, Proline Options has a solution for you regardless of the specification.

At Proline Options, every product is tested in its intended application - never batch or spec tested only. We run bandwidth, distance and IOS network tests. We have documented an impressive 0.03% failure rate over the last 10 years. To continue this rate of success we invest millions annually in our own on-site testing lab.
